

THE HARMONIE VIENNA

The Harmonie Vienna offers you modern comfort, artful Viennese design and individually service in the context of our „conscious live“ philosophy. The visionary works of the young artist Luis Casanova Sorolla make for a very special atmosphere. His collection of paintings called „Signapura“ shows the traces of dance performances and captures the energy of the solist ballet dancers of the Vienna State Opera in colour on paper. This energy is almost tangible and transforms each of the 66 comfortable rooms in the boutique hotel into a unique art experience. Relaxed and stylish living in the heart of Vienna!
